MusicFest Canada requires all ensembles participating at the 2012 Festival in Ottawa to utilize the accommodations which have been secured by the Festival. Any ensemble requiring overnight accommodations must contact Ellison Travel and Tours (Exeter) 800 265-7022.

In order for MusicFest to obtain reasonably priced performance facilities for all of the participants, the Festival must guarantee that participants will use the accommodations associated with those facilities. As with most products or services, the greater the guaranteed volume, the lower the facilities price. This is a key factor in maintaining the lowest possible registration fee and the highest quality festival.

Just as importantly, not all accommodations meet the standard of security and cleanliness that the Festival would want to be associated with. This is particularly true in the Ottawa area. Ellison Travel and Tours have inspected and screened the properties, and have negotiated the lowest possible rates for acceptable properties.

Ellison is a long time associate of the Festival and has made major contributions to the ongoing success of this event. They are committed to providing the best possible service and the best possible value for everyone attending MusicFest Canada.

If you are a local ensemble and will not require overnight accommodations at MusicFest 2012, please complete the following form and fax it to 702 269-9026.
